FINANCE AND TEACH.

OPPICE OF THE LOUISVILLE DIMOGRAT, Monday Evening, July 28, 1867.

The local money market presented in features to-day demanding special notice. The accumulation of funds in the banks has been going forward for some time past, until they are amply supplied to meet the current and any prospective demand likely to occur for moving the consumers have always been the past, and the market may be properly represented as easy. The demand for money is light, and satisfactory paper is by legislation.

To the class that labors, and the case that labors, and the class that labors, and affirm it from 703752.

GINNY BAGS—Are in light demand and price are nominal. We quote in lation will respect to land-must be an illicon will represent the producer the public domain. Class legislation of the past has been in person, individual or corporation aball different from 703752.

GINNY BAGS—Are in light demand and present the secondary consideration in our State and the troverning to the public domain in the surface are nominal. We quote in the local warm of the producer the public domain in the surface are nominal. We quote prime from the consumers have always been the prime receipts of the producer the producer the secondary consideration in our State and the secondary consideration

money is light, and attisfactory paper is promptly discounted at from 0 to 12 per cent. In the outside market, from 1 to 12 per tent. In the outside market, from 1 to 12 per tent. In the outside market, from 1 to 12 per tent. In the outside market, from 1 to 12 per cent. In the outside market are cent. In the outside market are cent. Sheridan to b) Removed. Per cent, a month are the ruling rates on which is now going f rward. Says the prime collaterals, but the demand is not New York Commercial Bulletin:

owing the course of events on the stoop per bbl.

NAILS—The market is unchanged.

NAILS—The market is unchanged.

We quote 10 t, in lots, at \$6 10 of 35.
